Exhibit A

Mr. Jayme Roth  
Senator Bayh's Office  
Washington, DC

Dear Jayme,

I am forwarding you a copy of my email which I sent to the Bank's staff after I was fired, as well as a letter to the Senate Committees on Foreign Relations, Finance and Appropriations. I also enclose a disk with files concerning the embarrassing cover-up of the supervision mistakes on the Philippines Banking Sector Reform Loan at the World Bank.

The ongoing cover-up is an indictment of the probity of US oversight at the Bank and I would encourage the Senate to request GAO to look into it. I will be in Holland until October 2nd, but will be reading my emails.

Sincerely,  
*Karen Hudes*
